Description

The **Active Democrat Voters File** is comprised of registered Democratic Party Voters in the United States.

Our targeted geographic segmentation allows you reach voters per district based on zip code in addition to state, county, city, DMA and MSA geographic specification.

This opt-in file of registered voters reaches Democrats with a wide variety of political interest and involvement including active voters, party donors, community involvement, political news and media interest, and much more.

Additional demographic selects include age, income, family status, age and number of children, ethnicity, language preference, occupation and homeowners, among other targeted market profile attributes.

This file is ideal for offers pertaining to candidate campaigns, fund raising for party or candidate contributions, and any offers pertaining to Democratic Party interests.
