Description

The **Hybrid Vehicle Enthusiasts File** is comprised of eco-friendly and energy conscious individuals who have an interest in hybrid cars.

These individuals value the greater fuel economy and lower emissions that a hybrid vehicle offers.

Related automotive selects include make and model of vehicle, new versus used owners, auto intenders in the market for a new vehicle and multiple vehicle households.

Environmentally conscious selects include eco-friendly household, natural product buyers, interest in environmental issues, donors to environmental organizations and buyers of family eco-friendly products for the household, children and pets.

Ideal list usage includes warranty and maintenance, engine and body repair, accessories and detailing, eco-friendly products and services, new sales and leasing trade-ins, auto-related journals, sites and social media, and much more!
